

Biography of a bone

- Using all your knowledge from the lesson---
- Create a biography of a bone of your choice.
 - Start from birth of bone (embryonic development) page 131
 - Bone will have one tragic fracture (134)
 - Bone will remodel through out it's lifetime (133)
 - Terms to **explain** → ossification, osteoclasts, osteoblasts,, fracture repair, remodeling

Create a Slide Show Movie or “Puppet Slide Show” that tells the story of your bone.

Movie is limited to 4 minutes and must be submitted to google classroom.
